search inside yourself certified program

Looking to sustain excellent performance or tap into outstanding collaboration? We help people develop the leadership and emotional intelligence skills needed to intensify focus, manage stress, harness creativity and improve resilience.

As a result, people from all walks of life are gaining better self-awareness, improving communication skills and leading with compassion. It all adds up to a greater well-being and happiness.

THE 2-DAY INTERACTIVE PROGRAM INCLUDES

- An overview of the neuroscience supporting mindfulness and emotional intelligence.
- A deep-dive into the emotional intelligence capacities: self-awareness, self-regulation, motivation, empathy and leadership.
- Practical exercises to focus attention and develop self-awareness and empathy, the foundation for self-mastery and leadership.
- Specific workplace applications to help participants achieve greater focus, emotional balance, empathy and motivation.
- A highly interactive experience, with 1/3 presentation and 2/3 hands-on exercises.
- A 28-day challenge following the 2-day program. Daily resources and exercises are provided to help people build new habits after the training.

PARTICIPANTS WILL EXPERIENCE LASTING IMPROVEMENTS, INCLUDING

- Increased self-awareness and self-regulation, the first two core emotional intelligence competencies.
- Practical take-away skills: a range of mindfulness practices, journaling, and techniques for self-awareness, empathetic listening, and preparing for difficult conversations.
- Tools to communicate with insight and awareness of others' emotions and perspectives.

THE SIY PROGRAM INCLUDES

Join us for a highly interactive 2-day program followed by a 4-week online journey as we explore mindfulness and emotional intelligence for inspiring wellbeing, collaboration and high performance.

Live training (2 days)

Introduction to neuroscience, mindfulness and the five emotional intelligence capacities.

Virtual Practice (4 weeks)

Weekly exercises and resources delivered by email.

Webinar (1 session)

Reconnect with your teachers and group to review and set a plan for continuation.

Search Inside Yourself (SIY)

What is
Why learn **SIY?**

MINDFULNESS helps REDUCE STRESS and INCREASE WELL-BEING

"What was the most striking in the SIY program is that, even just as a 2-day program, it was so relevant for my life and work situation. The wisdom of mindfulness and emotional intelligence is vast, and SIY effectively creates relevant exercises so that the content really registers and makes sense in a working environment and in daily life."

- Kimiko Bokura, founder of the Mindful Leadership Institute, Japan.

80% of participants reported that they could use deliberate techniques learned from the program to handle stressful situations.

EMOTIONAL INTELLIGENCE correlates with BETTER LEADERSHIP

"I would highly recommend the Search Inside Yourself program as part of any leadership development curriculum. We were able to incorporate the exercises into our work immediately."

- Karen Hershenson, Studio Leader, Procter & Gamble.

85% of participants reported that they had an increased ability to connect with others after the program.

MINDFULNESS can lead to more INNOVATIVE THINKING

In a survey conducted by the Institute of Mindful Leadership:

93% of leaders reported that mindfulness training helped them create space for innovation,

and nearly **70%** said it helped them to think strategically.
